EXPERIENCE

Perrenormal Team Lead

Jun 2024 – Jun 2026

Clover Bite

- Formed and led the core team as lead / producer; owned 3D character art, environments, animation and VFX.
- Ran indie production – development, promotional materials and publisher talks.
- Shipped Once a Pawn a King on Steam.

3D Generalist

Jul 2022 – May 2024

Clover Bite

- Character modeling and texturing (mostly human), environment assets, Unity terrains and level design.
- Two client projects: a national EMS training simulator and an educational co-op game.
- UI for both, from design to in-engine implementation.

Intern – 3D Artist

Oct 2021 – Jun 2022

Arcadia Games, Inc.

- Repaired and catalogued 3D assets from an archived licensed-IP project.
- Character concept models exploring art direction for the U.S. team.
- Asset-library organization and production tracking.

EDUCATION

Higher National Diploma – 3D Art, Game Design & Development

2018 – 2021

Tiltan School of Design & Visual Communication

Generalist 3D: modeling, UVs, texturing, rigging, animation, shaders, rendering & lighting. Plus Unity and Unreal basics, 2D design, illustration, UI/UX and art theory.
